

	SHE OBJECTIVES	Revision No.	Rev. 04
		Revision Date.	14 August 2017
		Document No.	SHE-OBJ-001

Safety, Health and Environmental Objectives

Dust-A-Side as a responsible employer has a strategic intent to as far as reasonably practicable create a SHE culture that is inclusive but not limited to all stakeholders, employees, contractors and visitors as follows:

Dust-A-Side shall strive to:

- Maintain a **“Zero Lost Time Injury”** status.
- Pro-Actively identify, Assess and where possible eliminate all Hazards and associated Risks by implementing Control Measures to **Mitigate Risks**.
- Ensure that all personnel are **Competent** to the required level through on-going training.
- Measure Performance and SHE goals to ensure **Continual Improvement** throughout the company.
- Ensure that our activities do not impact negatively on surrounding **Communities** and the **Environment**.
- **Communicate** SHE Knowledge and experiences with fellow colleagues.
- **Communicate** our SHE Objectives with our clients and suppliers.
- Ensure that all sites **conform** to Dust-A-Side and Client Standards, Objectives, Codes of Practice and **comply** with applicable Legislation.
- Make available **financial resources** to ensure that all SHE Objectives are achievable.

These objectives shall be read in conjunction with the **Dust-A-Side SHEQ Policy** and will be reviewed at least annually or as and when required.

Signed at the Head Office in Centurion on the 14th day of August 2017.
